

# ICA ALUMNI SUCCESS STORIES

Highlighting the stories of ICA's incredible alumni

## Felicity Johnson

### ICA Class of 2021

**Major/Area of Study:** Cosmetology

**Current Occupation:** Hair stylist

**Current Location:** Milford Ohio

**Name a memorable experience during your time at ICA:** My senior trip to Pigeon Forge, Tennessee! My class had such a great time with Mr. Wittman as our chaperone. I felt like everyone got so close on that trip and when we all graduated it felt so sad to leave the people we spent almost all of our lives with.

**How did ICA help shape your career or life after graduation?** Pushing yourself to get out of your comfort zone.

**What advice would you give to current ICA students or ICA alumni who are preparing for high school or college graduation?** Don't worry about what people think about you or how they may judge you. The world will always be against us but we can combat that with our faith, praying the rosary and trusting in God.

**What's something you're particularly proud of achieving since graduation?** Passing state boards and getting my cosmetology license!

**If you could go back and give your high school self one piece of advice, what would it be?** Don't worry about what others think of you and stick to your true friends.

**What are some of your passions or interests outside of work?** I LOVE coffee. I make espresso at home and have my own espresso machine. I love making and experimenting with so many different types of coffee and always let my siblings try some. ;)

**What is a favorite quote you'd like to share with our alumni and current students?** "Never forget that you are totally dependent upon God" - CS Lewis
